Dr. D.Y. Patil Institute of Optometry and Visual Sciences has an International Student Cell Committee that works for the welfare of the International students and provides support services and facilities, ensuring progression for international students.

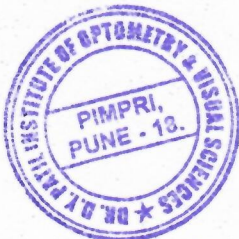

The Objective of this committee is to ensure the student do not find difficulty in the new environment and to make them feel secure and safe, and the (Academic and co-academic) issues are solved under this committee. On an average more than 40% students are from outside the state and approximate 5% students are from outside country.

The committee is headed by the H.O.D of the College. Selected staff members are nominated on these committees. Student representatives are included as members in these committees
